Scoring

The total score of each player / club is the amount of its individual scores after 4 races in groups and 3 races in the Semi-Final (if the club qualified for) according to the low point system without eliminating the worst score.

If a player / club does not make it to the start of a race on time or does not check-in in time for the race, the player / club will be scored for the race with DNS (points: number of max. players / clubs per group plus one). If a player / club is disqualified during the race, the player / club will be scored for the race with DSQ (points: number of max. players / clubs per group plus one).

In case of technical problems there is no right of compensation. Unless a player / club can not start in his group (because the group is already full, because another player / club has dialed in incorrectly or additionally, then there is a compensation (points: average of all races sailed).

The total score of each group will be available on www.sailranks.com
